

REMARKS

In response to the Examiner's Detailed Action, Applicant hereby amends the Remarks on page 11, lines 3-8, of Applicant's Amendment Under 37 C.F.R. §1.111, filed May 19, 2004, as follows:

--Claims 1-5 and 7-34 are pending in the application. This Amendment currently amends claims 1-3, 5, 7-13, 15-17, 19, 20, 22-24, 26-30, and 32-34. No new matter is added to currently amended claims 1-3, 5, 7-13, 15-17, 19, 20, 22-24, 26-30, and 32-34, the disclosure or the drawings as amended on August 28, 2003, or herein. Claims 1-3, 5, 7-13, 15-17, 19, 20, 22-24, 26-30, and 32-34 are currently amended to merely clarify the subject matter of the claims and in no way narrow the scope of the claims in order to overcome the prior art or for any other statutory purpose of patentability. --

Notwithstanding the above, while Applicant contends that no new matter was added in the Amendment of August 28, 2003, to speed prosecution and overcome this issue to pass the case quickly to issue, submitted herewith is an annotated sheet showing cancellation of the drawing correction for Figure 5 filed on May 28, 2003, and a replacement sheet which is the same as the original Figure 5.

Should the Examiner find the application to be other than in condition for allowance, the Examiner is requested to contact the undersigned at the local telephone number listed below to discuss any other changes deemed necessary in a telephonic or personal interview.
